AUG 22

SESSION 1: DEFINING YOU

**3rd August
2022
10:30am**

Online

Speaker session

You have the degree, and you may have had the gap year, but how do you get that first job or a promotion? Defining who you are, creating your own brand, and leveraging LinkedIn can bring you immediate advantages. Learn why your LinkedIn presence matters, and how to use it to your advantage.

In this session, you will learn:

-  The importance of building **your personal brand** to **attract the right kind of opportunities**.
-  How to give yourself the **edge in a competitive market**.
-  The **simple** ways you can **use LinkedIn** to build your industry networks.

Speaker

Amy Smith

Founder and Director of Align Tribe

Amy is a business and LinkedIn strategist, coach and speaker, helping service over 1,000 people to launch and grow their businesses online. She's been featured in The Global CEO Magazine, 6PR Newstalk, Triple H 100.1FM, Director Institute, and Future Work Summit.

SESSION 2: COMMUNICATION IS EVERYTHING

10th August
2022
6:00pm

Online

Facilitated

Listen to the tips and tricks used by actors to sound convincing, authoritative and persuasive

In this session, you will learn:

-  **Communication success** - how to control your speech when you are nervous before and during a presentation.
-  Reading your audience and **adapting** your style **in any situation**.
-  **Meeting** and **connecting** with your fellow cohort.

Speakers

Felicity Jurd

Award winning coach, actor and voice over artist

Felicity Jurd uses her 30 years in the entertainment industry to coach corporate clients using theatre and vocal techniques. This assists professionals to gain confidence and clarity in the delivery of speeches, interviews & presentations.

Johanna Pitman

Advance CEO

Johanna is a recognised authority on the changing workforce, and the implications for cities and communities.

SESSION 3: NETWORK BUILDING

17th August
2022
7pm

Online

Speaker session

We are constantly told it is not what you know but who you know. How do you build your network when you don't think you currently have one? We'll figure out how to beat the nerves and get your point across in an interview or meeting, and be memorable in a good way.

In this session, you will learn:

Employability – how to **develop networks** here and **overseas** and put your best **self forward**

Resilience – taking **feedback** (the good, the bad and the ugly) and using that **feedback to grow**

Rapport and **trust** cannot be learnt from a textbook. How do you find these qualities in yourself?

Tips on **moving abroad** for a role if you are **planning** on or have a partner and children

Speakers

Jacqueline Moth

Non Executive Director and Advisory Board member

With a passion for inspiring excellence in others – which has translated across many cultures and contexts, Jacqueline is a natural mentor, creating positive personal growth environments, and leading by example.

Greg Spicer

Chief Executive Xn protel Systems Group

With a 34-year international career with 2 global technology vendors, Greg is a Property and POS technology business development specialist. By building, integrating and distributing leading software applications, Greg creates successful, long-term business relationships, built on the delivery of tangible benefits.

SESSION 4: ENTREPRENEUR VS INTRAPRENEUR

24th August
2022
5:30pm

Online

Speaker session

Do you have an idea or a dream job? While you are at the start of your career, learn what can you do now to reach your short and long term goals.

In this session, you will learn:

- ➔ What skills do you need to be an entrepreneur to succeed and solve a problem?
- ➔ How to **dig deep** and bring an innovative mindset to every role.
- ➔ How to be **creative and strategic** in **pursuing your goals**; both **working for yourself and in an organisation**.

Speaker

Yong In Cho

Head of eCommerce and Advance Awards Emerging Leader Category Finalist 2020
Yong In Cho is a fintech expert, specialising in the payments industry, with deep knowledge of the financial technology market across Asia. Currently the Head of eCommerce for the world's largest payment service company, Fiserv, Yong In most recently initiated and managed development of a solution allowing Korean tourists and Korean students to enjoy fee-free credit card transactions in Australia.

SESSION: GLOBAL AUSTRALIAN AWARDS

PRESENTED BY ADVANCE.ORG

7th September
2022

Online

The Global Australian Awards are for global Australians – including Australians living and working overseas; Australians who have built their career overseas in the past; and international alumni of Australian universities. The Global Australian Awards showcase the achievements of these inspiring global Australians who are innovating in their field and shaping the world.

PRESENTED BY ADVANCE.ORG

SESSION 5: DEVELOPING A GLOBAL CAREER

31st August
2022
6:00pm

Online

Speaker session

Find your niche and apply it globally.

Will you have a defining moment in your career that leads you on a journey that also has a positive impact on communities and the environment? Our speaker will share his journey in this fireside chat, with lots of opportunities for you to ask your questions.

In this session, you will learn:

Following your **passion** and **turning it into a career**

How **relationship building** gets you noticed and **remembered globally**

How to find your **niche** and become a **leader** in that industry

Speaker

Daniel Lambert

Board Director, Chair, Executive and Engineer

Daniel Lambert has over 20 years of board and executive-level experience across the private and not-for-profit sectors with particular experience in management consulting, utilities and public policy. Daniel has worked in over 25 countries and is passionate about water, energy and the environment and delivering positive social and environmental outcomes for customers and the community.

SESSION 6: CAREER TRAJECTORY & GRADUATION

14th September
2022
7:00pm

Online

Speaker session

For our final session, we'll hear from previous graduates of the program, who will share their practical answers on how to pivot, get promoted, work abroad, or stay in Australia.

We will then have a **graduation ceremony** where we will share our **highlights from the program** and **listen to how we can help you after the program is over.**

Speakers

Kate Banasik

Chief Executive Officer at Australian Pathway Education Group

An experienced executive with a passion for empathetic and transparent leadership. Kate has legal background that has been helpful while operating an RTO in a high risk environment; where compliance remains pivotal to operations. She is passionate about using technology to make us more efficient at work and learning from others.

Christian Bien

Analyst at CBH Group, Founder of Elucidate Education

An entrepreneurial and innovative thinker, Christian is passionate about new ways to solve problems in business and society. Beginning his career in Business Transformation consulting, Christian now currently serves in an in-house role as an analyst for WA's largest grain supply chain. Christian is also highly passionate about social change, founding and operating a social side hustle Elucidate Education (formerly known as the ATAR Survival Guide) aimed at providing free online educational support for all Australian students. Behind his experience and social venture, Christian is a graduate of the Stanford International Honors Program, Asia Institute of Political Economy at the University of Hong Kong and a Bachelor of Commerce from Curtin University.

Nicholas Whitwell

Project Officer, Australian Competition and Consumer Commission

With enthusiasm for international work in order to build a career, Nicholas believes that harmony between personal and professional life, and developing aspects in each that are complementary, is vital to success. His career goal to work on building the Australian-Japan relationship, and he is eager to focus his talents and abilities on fostering international connections.
